**Home page:** Quick intro of photographer/showcase

**About me:** A more in depth page going on about my background/experiences. Any other personal details to share.

**Camera collection:** A more detailed dedicated page to showcase the cameras I currently own. Details like specs, history, and personal review

**Photo gallery:** A page to showcase the photos I have taken with film/digital

**Contact:** A way for visitors to connect or find more about me like social media accounts.
